**\*Type W**

Til elastiske gulvbelægninger er der foreskrevet hjul med blødt slidlag (type W) i henhold til DIN EN 12528 og DIN EN 12529. For at undgå skader forårsaget af møbelfødder skal der analogt anvendes bløde møbelglidere af egnet filt, specielle tekstilfibre eller egnet plast (f.eks. TPU, PTFE).

Verlegung in Feuchträumen | Installation in humid rooms | Pose en milieu humide  
Colocación en áreas húmedas | Nedlægning i fugtige rum
