D 216

DEHUMIDIFIER

Product data sheet

Product range	dehumidifiers
Brand name	Qlima
Model	D 216
Colour	white
EAN code	8713508781396

Technical specifications

Moisture removal *	l/24 h	16
Moisture removal **	l/24 h	8
Power consumption	kW	0.300
Mains voltage	V / Hz / Ph	220-240 / 50 / 1
Amperage (nom.)	A	1.20
Air flow (nom.) **	m3/h	120
For rooms up to **	m3	70 - 100
Capacity water container	l	2
Operating range	oC	5 - 35
Sound pressure level **	dB(A)	41
Fan speed		1
Control		Auto / continuous
Refrigerant		R290 / 45 gr
Dimensions (w x d x h)	mm	276 x 185 x 480
Weight	kg	9.5
Compressor type		Reciprocating
Protection class	IP	X0
Guarantee	Years	2

Moisture removal at 32 °C, 80% RH

*** Moisture removal at 27 °C, 60% RH*

**** To be used as indication*

D 216 DEHUMIDIFIER

Permanent water drainage tube

Hygrostat

Easy to operate

Features

Economical:
This dehumidifier is a dehumidifier and nothing more. Simple and effective. When switched on the dehumidifier will try to dehumidify to an extent as much as the physical conditions of the air allows it to.

Possibility for permanent water drainage:
By fitting a flexible water drainage tube (not included into package) a continuous water discharge can be realised. If done correctly it will prevent the need for emptying the water container.

Simple but effective user interface:
1 LED light to indicate when the machine is connected to the power supply, 1 LED light to indicate "water bucket full", 1 LED to indicate "Auto defrost".

Automatic switch off:
When the water container is full, a LED light will light up. The dehumidifier will automatically switch off.

Defrost function:
The unit is equipped with an intelligent defrost system for use in lower temperatures.

Removable water container with water level indicator:
The water container can easily be removed.

Hygrostat:
The humidity can be regulated via an adjustable hygrostat.

Compressor:
The dehumidifier has a Reciprocating compressor.

Convenience:
The unit is equipped with top handle at the back of the unit for easy lifting and convenient transportation.

Full colour box:
The unit is delivered in a stylish full colour box showing application and operation information in multiple languages.
