• Contemporary and simple style • Classic and stylish design

The Ray pendant 2-kit from Nordlux includes two lights in a very classic and stylish design. The lights are made of chrome with glass shades. The white glass shades give a soft and pleasant light that suits many areas in the home. Use them as decorative lights in a corner that requires extra light, or as reading lights behind the good armchair. The lights can be hung together, separately, offset, or at the same height – there are many possibilities.
